

# Cincinnati Junior Rowing Club

CJRC is Cincinnati's premier youth rowing program. We attract more than 130 student-athletes from a dozen area high schools, including St. Xavier High School, Notre Dame Academy, Walnut Hills High School, Taylor High School, St. Ursula Academy and Highlands High School.

Since its inception in 1993, CJRC has become one of the dominant programs in the country, consistently winning medals at Midwest regional and national levels, including 15 national titles.

We are proud to be a program driven by the rowers and open to anyone — regardless of experience or income level.

# Support CJRC

As a club, we receive no financial assistance from either state, local or specific high school athletic programs.

We rely on the generosity of CJRC families, friends, alumni, and community corporate leaders, like you, to ensure the continuity and constant improvement of our team.

Ways to help:

- **Capital Donations**
- **Regatta Sponsorship**
- **Individual Event Sponsorship**
- **In-Kind Donations**

*Please consider making CJRC one of your community investments.*

Thank you!

# Capital Donations

Annual expenses associated with maintaining rowing equipment are significant.

Outside support is critical to our program's success.

Donations help purchase new boats, oars and ergometers vital to a competitive club.

Our current wish list includes:

- **2 New Eights** - (*Eight* is a boat, or shell, with a crew of eight rowers and a coxswain.) \$36,000 each, purchased in odd years
- **2 New Fours** - (*Four* is a boat, or shell, with a crew of four rowers and coxswain.) \$23,000 each, purchased in even years
- **Oars** - \$10,000 annually
- **CoxBox and accessories** - (CoxBox is an electronic device used by the coxswain to make his or her voice more audible to the crew.) \$3,000 annually
- **Ergometers** - \$10,000 annually
